

NARRATIVE REPORT in ITST 305 Cloud Computing

1

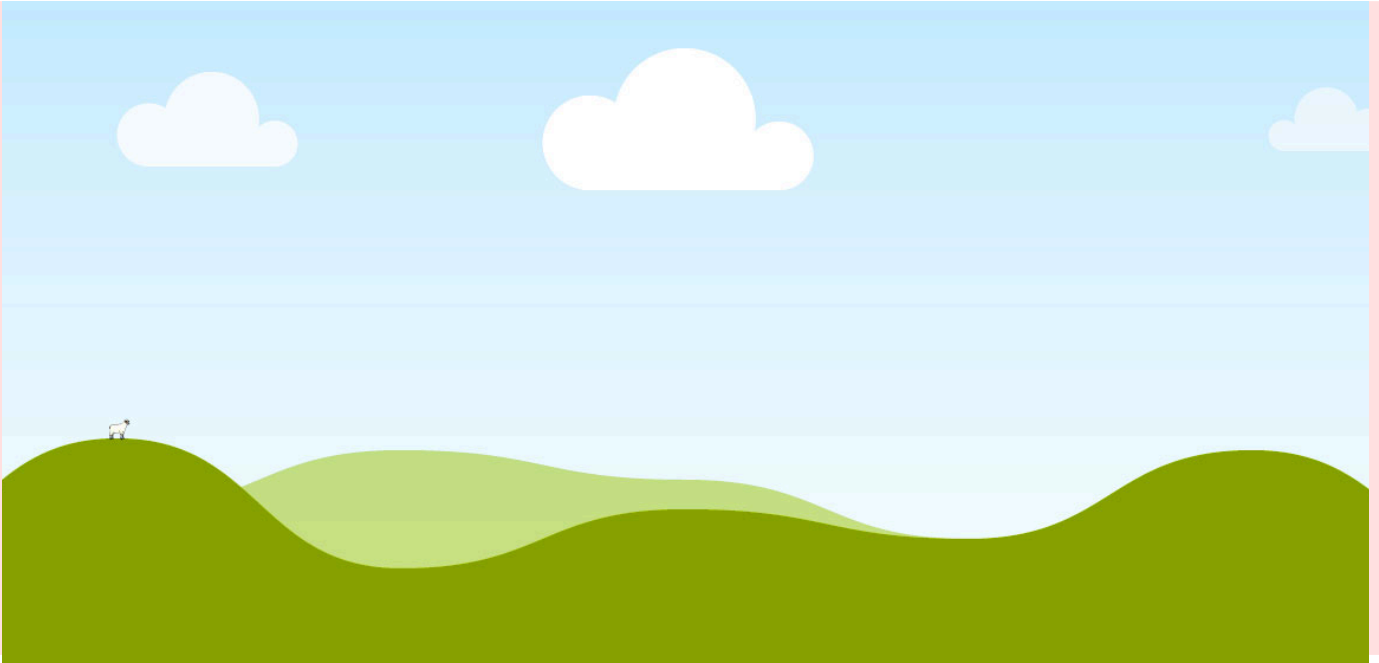

This narrative report serves as documentation of my participation in a parallel academic activity in lieu of the College Educational Tour. It presents the trainings attended, knowledge and skills acquired, and reflections on how the experience contributed to the attainment of the course requirements and learning outcomes.

Name: Jay Mark D. Virina

Course / Year / Section: BSIT-3B

Instructor:

TRAINING INFORMATION

Network Defense

Training Venue/Platform:

Date(s) Attended:

Duration (No. of Hours):

Trainer(s) / Facilitator(s):

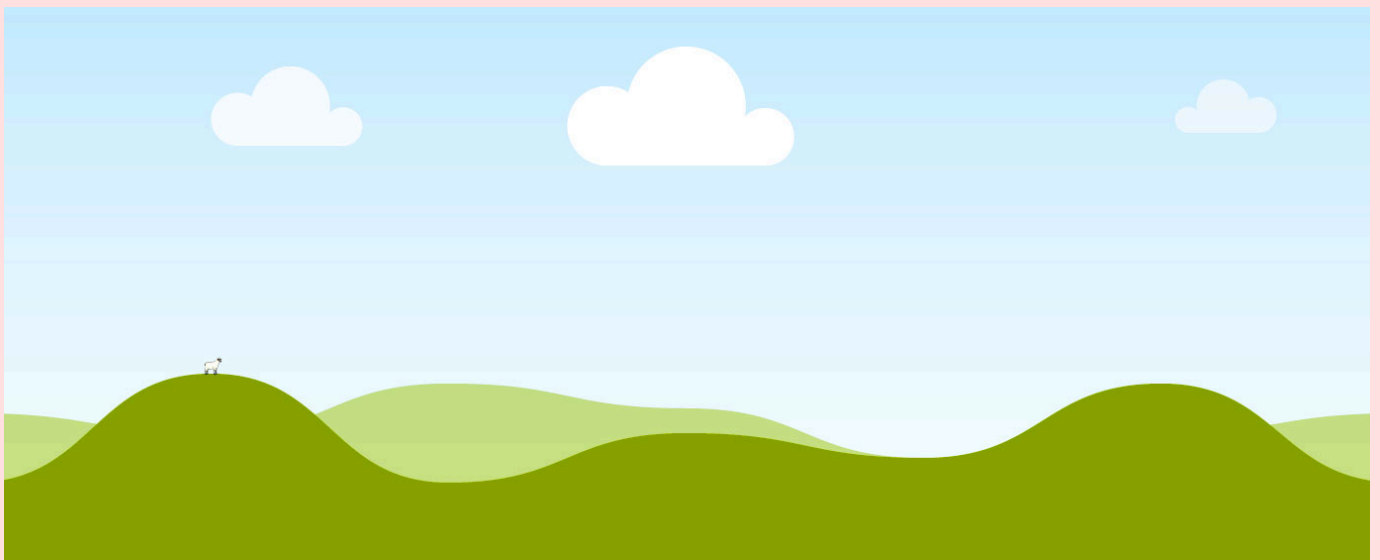

Organizing Office:

Objectives of the Training

(State the goals or purpose of the training. You may list at least 2–3 objectives.)

SUMMARY OF ACTIVITIES / TOPICS DISCUSSED

(Narrate the flow of the training from beginning to end. Include important discussions, demonstrations, and activities.)

SKILLS AND KNOWLEDGE ACQUIRED

(Discuss what you learned, including new skills, tools, concepts, or techniques.)

RELEVANCE TO THE COURSE SUBJECT

(Explain how the training is related to your current subject or program.)

PERSONAL REFLECTION / INSIGHTS

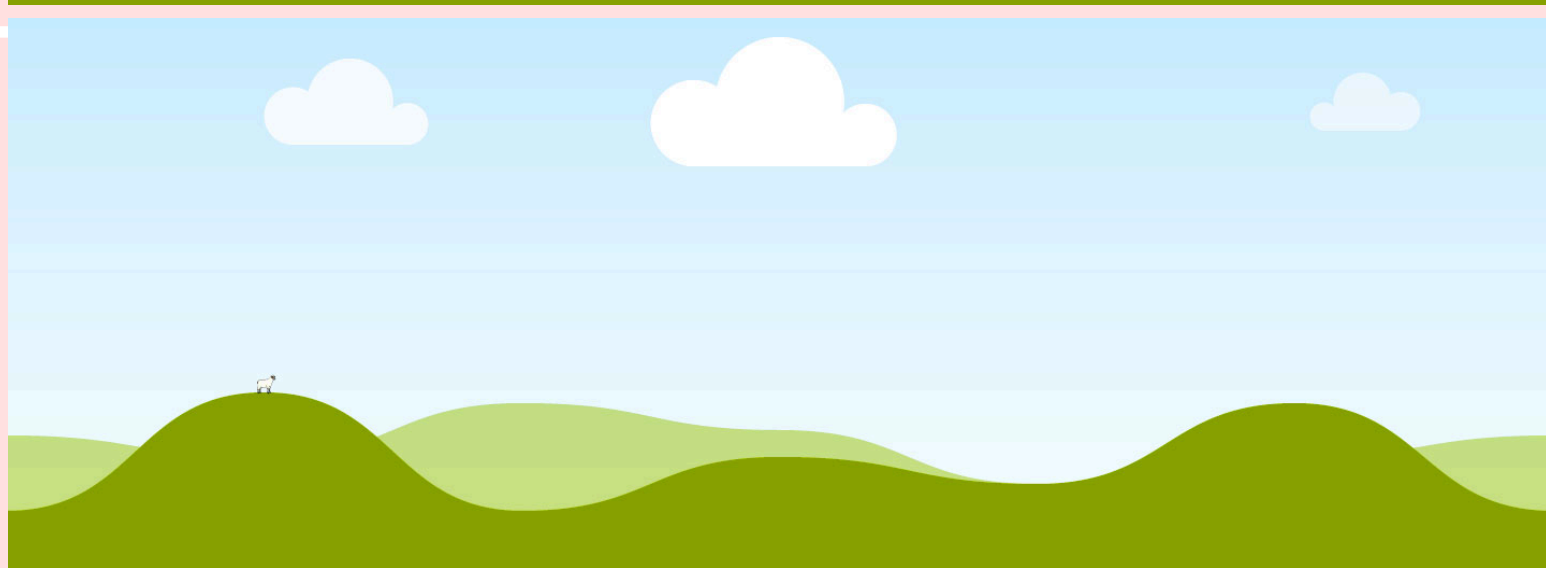

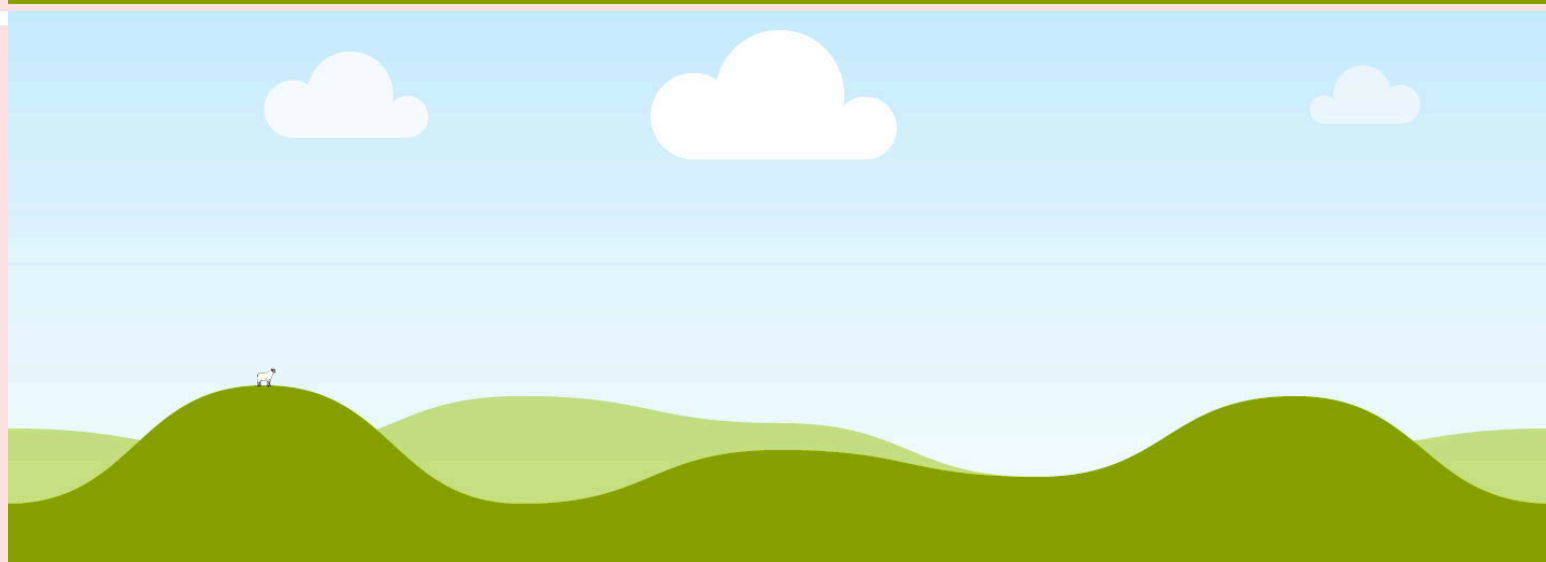

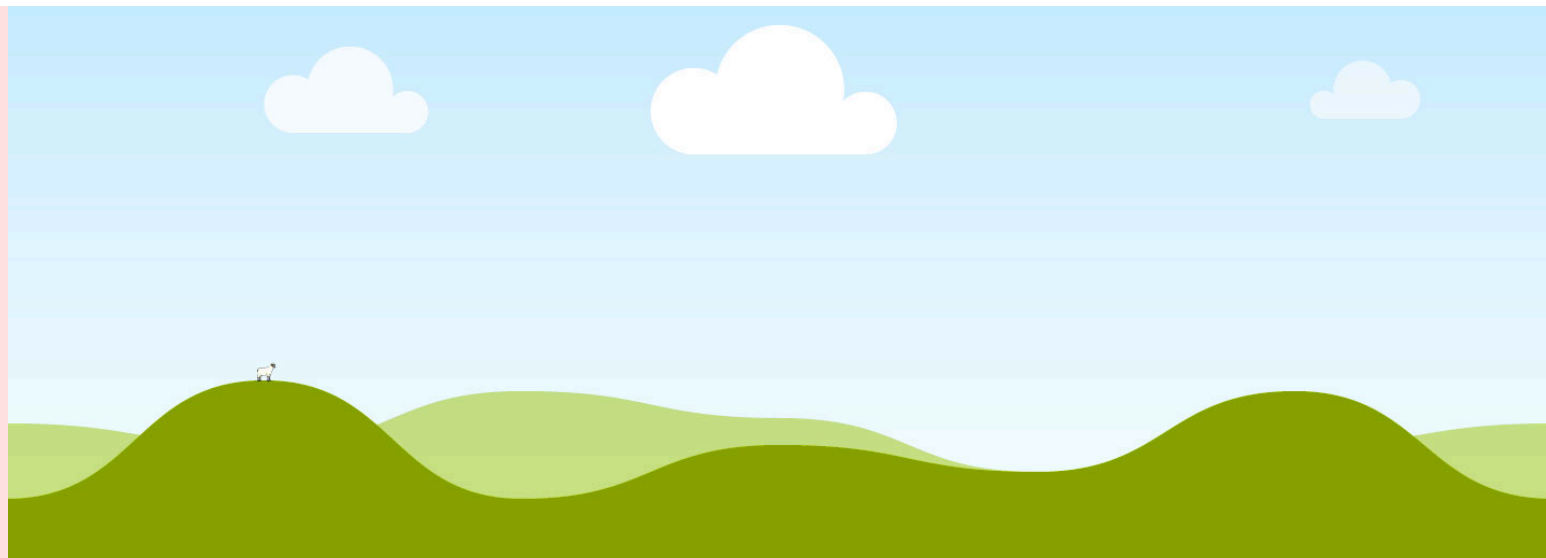

(Share your personal experience, realizations, challenges encountered, and how the training helped you.)

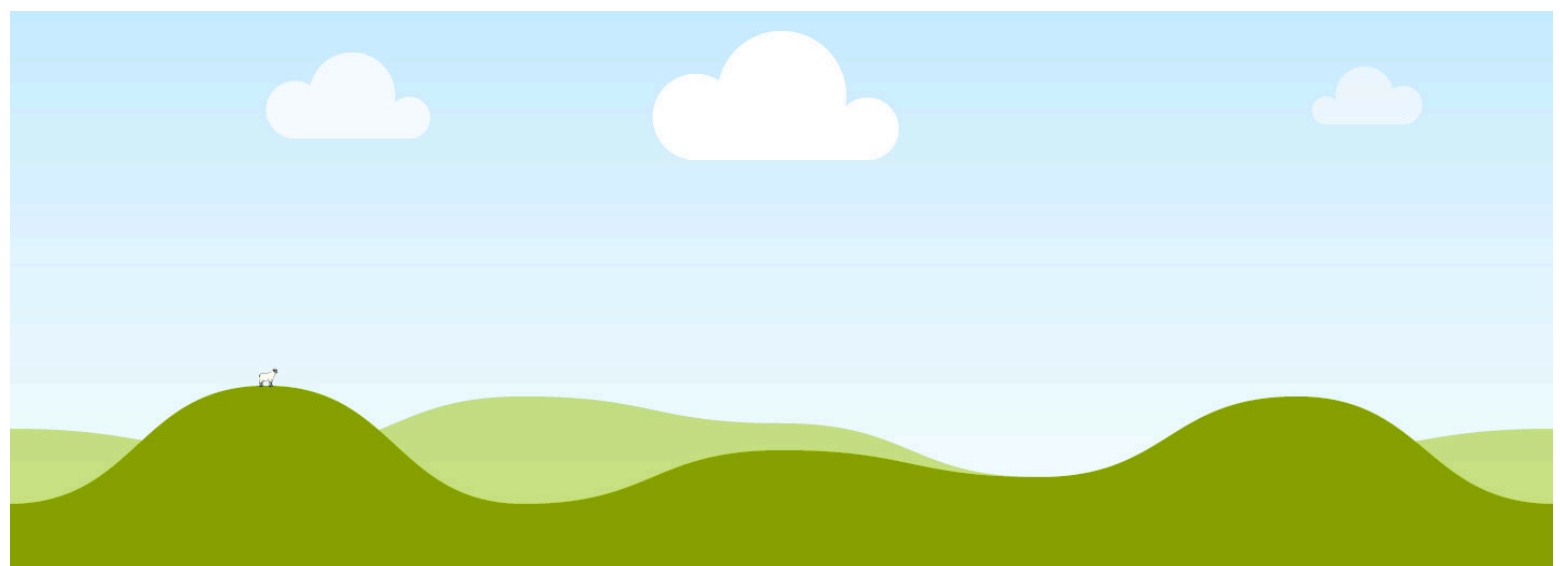

CONCLUSION

(Provide a brief concluding statement about the overall value of the training.)
